It's a Three-Peat!

2005
2006
And Now...
2007

For the third year straight, it was a very successful year for the Guaranteed Rural Housing Program in Illinois. Illinois again ranked as #1 in delivering the Guaranteed Rural Housing program. During Fiscal Year 2007, RD guaranteed over 3,100 loans for over \$247 million. Without the help of all our lenders promoting and supporting the program, this would not have been possible! So thanks to everyone who has helped Rural Development achieve success during FY 2007 and we look forward to another successful year in 2008!
